As an emergency volunteer foster you understand and agree to the following:

- You understand this voluntary position and no financial reimbursement of any kind is available
- You may remove yourself from the network at any time, but please provide a 3 day notice so that we may make other arrangements or find a new foster.
- You will provide basic care and husbandry of your foster pet for a minimum of 3 days while an owner is attempted to be located
- After the 3rd day, the dog or cat will either be transported to or picked up by a local rescue group or Animal Control facility, unless you wish to foster for a longer period of time. In such case, a release form will be signed and you will be responsible for the re-homing of that pet
- You will be on a “call” status and may receive a call any time day or night unless stated otherwise
- You agree to an in-home visit by one of the Foster Network’s volunteers
- If food is available, it will be provided to you
- You will only receive a visibly healthy dog for foster as we are unable to provide any medical services or reimburse anyone for such

\_\_\_\_\_ You agree not to hold any member, volunteer, transport person, City employee, or Law Enforcement Officer liable for any damages caused by your foster pet to any member of your family or guest you allow to interact with that pet.
